SCANDAL

In Canal System Referred To By Gov. Harmon

In His Speech At Zanesville Thursday Night

Zanesville, O., Oct. 14-In his speech here last night Governor Harmon said about the canal scandal:

"Mr. Harding complains because the canal disclosures were not made earlier in my administration. He does not seem to realize the indictment be makes of the many administrations all controlled by the state house and city boss ring which never turned a hand. He pays me an unconscious compliment, too, in expecting such prompt and effective action with out a man in that department on whom I could depend for help. He refers to the resolution of 1909 for the appointment of a canal commission of which I was to be chairman. It was to examine and report on "the condition of the canals of the state" and "make recommendations for legislation," which I understand to mean, as citizens generally did, the state of the canals as to usefulness and whether and how they should be made instruments of commerce or else disposed of.

"I accordingly spent considerable time in seeking men qualified for that work whose recommendation would have real value and carry weight. It was very hard to find such men who were citizens of Ohio, as they were required to be. When found they would have to be paid for their skill and the great time the work would require, as was recognized by the provision in the resolution for compensation. But no appropriation was made for paying them, and when I discovered this I was compelled to drop the matter because service of this sort would not be had without compensation.

"When Mr. Marker was appointed Chief Engineer four months ago I directed him to look into the way things were going, and such assistance as he has required I have been able to pay from the small contingent fund appropriated for the governor,"

ALL MINE!

Do the voters of Ohlo realize the full import of Mr. Harding's speech at Cadiz, September 26th, 1910. when he said: "Hamilton county's delegation (Cox) came to my support, and I wouldn't deny my gratitude for any votes such hypocrisy might win."

In that same speech at Cadiz Mr. Harding sald with reference to his eulogy of Cox In nominating the "Big Four" delegates-at-large to the national convention in 1904: "Well, in that convention address I said some pleasant things about George B. Cox, and I do not plead poetlo license. I MEANT ALL I SAID OF HIM, just as I meant all I said of the eminent other three."

If Harding meant all he said of Gox and would rather be grateful to Cox for the 91 votes of Hamilton county given him by Cox on the third ballot, besides the 126 votes Cox says Dick and Carmi Thompson gave him to juggle with, how can you vote for him for governor?

HAS MADE GOOD

The Record Of Auditor Young Is One Of Performance

Irvin Young has made good in the office of county auditor. His record has been one of performance, and he has come fully up to the expectations of those who vouched for his capability two years ago. When he took hold of the office a year ago he had no one

to guide him, but he mastered the intricacies of the office, and also so systematized things that the office is in better shape today than it has been for years. The work in the office has not been allowed to accumulate, but is disposed of in its proper season and in a thorough and complete manner. It is a satisfaction to those having business in the county auditor's office to find things in such "ship-shape" as they are under Irvin Young, as it makes it all the easier and quicker for them to tranact their business.

People quickly recognize worth and capability and in Irvin Young they know the county has one of the best men that has ever filled the office of auditor. Not only is Irvin Young an exceedingly efficient auditor, but he is courteous and accommodating to all who come to the office. His conduct of the office and treatment of callers has made him a legion of friends who will doubtless give a substantial demonstration of appreciation on election

Funeral Procession

When Horses Stampeded At Mt. Liberty

Mt. Liberty, O., Oct. 14-As the funeral procession of the late Walter Snyder was pasing through the streets of Mt. Liberty Thursday afternoon there was much excitement when Burgess Weaver's horse frightened at an automobile in the street. Mr. Weaver was driving his horse attached to a light buggy in the procession and as the automobile went past the horse plunged and whirled about suddenly and in an instant a stampede of a ma jority of the horses occurred.

A buggy belonging to Basil Kile was overturned and the six-year-old daughter of Mr. Kile was thrown out and the wheels of the buggy passed over her back. The child was badly hurt and it is feared internal injuries may have resulted.

The buggles of Mr. Weaver and Mr. Kile were badly demolished.

CONVINCING PROOF

Lydia E. Pinkham's Vegetable Compound

What is the use of procrastinating in the face of such evidence as the following letters represent? If you are a sick woman or know one who is, what sensible reason have you for not giving Lydia E. Pinkham's Vegetable Compound a trial? For 30 years we have been publishing such testimonial letters as these-thousands of them -they are genuine and honest, too, every one of them.

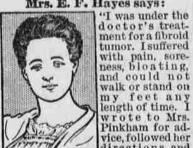

Mrs. S. J. Barber says:

I think Lydia E. Pinkham's Vege-able Compound is the best mediine in the world for women—and I feel it my duty to let others know the good it has done for me. Three years ago I had a tumor which the doctor

to be removed by an operation or I could not live more than a year, or two, at most. I wrote Mrs. Pinkham, at Lynn, Mass., for advice, and took 14 bottles of Lydia E. Pinkham's Vegetable Compound, and today the tumor is gone and I am a perfectly well woman. I hope my testimonial will be of benefit to others."—Mrs. S. J. Barber, Scott, N. Y.

Mrs. E. F. Hayes says: "I was under the doctor's treat-ment for a fibroid

vice, followed her directions and took Lydia E. Pinkham's Vegetable Compound. To-day I am a well woman, the tumor was expelled and my whole system strengthened. I advise all women who are afflicted with tumors or female troubles to try Lydia E. Pinkham's Vegetable Compound." — Mrs. E. F. HAYES, 1890 Washington St., Boston, Mass.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine.

Pinkham's Vegetable Compound, and the pain soon disappeared. I continued its use and am now in perfect health. Lydia E. Pinkham's Vegetable Compound has been a God-send to me as I believe I should have been in my grave if it had not been for Mrs. Pinkham's advice and Lydia E.
